ABSTRACT.

States that on receipt of docket No 617 from the Bangalore District Office with the Petition (dated) shewing the average rate of the 5 years' collections of the Toddy realizations (from 1838) of the Durgamaranaya Kaipalliamma & Oorageddi of Hoskote Taluk, he sent word, in reply, regarding his willingness to pay, in accordance with the Dewan's Proceedings, the average rate of

five years, relating to his contract as above
mentioned docket No 37 on the same subject.

The ~~Collector~~ Deputy Collector Chittoor and Collector Cuddapah
No 641 & 2nd Docket No 714 were issued to the Dy Collector
requiring him to pay Rs 350 agreed to be paid to
without formally considering his above claim
which begs to submit as follows:- It appears
from the Journal of Kayampalle Nellagulla
Canal similar referred to in the above memorial
that the villagers have no right to the tank
nor the
realizations ~~and~~ also in the former docket, No 617
that there has been no tank realizations
all in the Surrumanga Anagalpura and
Ramagunthi for the past 30 years - The tank
to say, that the applications of the above villagers
ers of Kayampalle Nellagulla Thumbalapalle Kasa
pura & Ottagunthi cannot be admitted for the
following reasons - There are about 200 toddy
trees in the vicinity of both the villages - only 2
trees of toddy are extracted from each tree on
alternate days for 3 months once in every three
years which yields a total realization of Rs 30 only
ing the expenditure - Hereto could be subject to
heavy loss if he has to pay, as ordered by the Sylam
to money to the villagers who had not the enjoy
of toddy realizations during the last Contract - It
that as the order passed by the Collector regarding
to pay Rs 350 agreed to be paid above does not appear to be
quite fair, favorable and is issued after

Sir In forwarding for information copy of Proceedings of the undersigned, settling the claims of the Inamdar of Kuglipur and other villages (in the Closepett Taluk), has the honor to state that the Government Toddy Renters of the District decline to comply with the orders contained in the Proceedings, on the plea that they

await the final orders of Government
on their appeal to the Dewan.

2. The Inamdar Mr. B. R. Venkatarungiar
frequently complains to this Office that
as the orders have not been enforced,
he is subjected to loss. The undersigned
therefore solicits the favor of early orders
on the Renters petition to the Dewan in the matter.

1882/83.

Proceedings of the Dy Commissioner Bangalore District in the Revenue Department, dated Bangalore 17th August 1882

Read, Correspondence between this Office and the late Mr Krishnaiyar C.S.I. and the Toddy Contractors about the Toddy Revenue of Keylipur, Doragahully Nellagulu and Choodi-hully of the Closepett Talukh.

Also Proceedings of the Dewan No. 4533/190 dated 30th August 1887.

The Inamdar claims that as his privilege to draw and sell Toddy in the Inam villages has been modified by the giving of the Contract of the whole Division to the Monopolists, they may be directed to make good to him the amount he would otherwise get from those who are willing to take the Toddy

The Toddy Contractors require that the average of the last 5 years' Revenue of the Village from this Source be taken as data to fix the amount they have to pay to the Incumbar. On the latter being called upon to furnish the required information, he stated that it could only be had for a few years, and that too is not reliable, as the Goomastahs of the former owner of the Seam (A Lady of the Mysore Arsoo family) acted in collusion with the then Contractors and served their own ends, as there seems to be no check exercised on their actions; that the trees suffered during the Famine years, and therefore the amount realized then was necessarily low;

and that the trees are flourish-
-ing now and are such as they
have not been tapped for some time.

Copies of these letters were
furnished to the Contractors but
they persist in having the average
of the last 5 years only.

Upon this the Amildars of
Bangalore and Kankanhully were
deputed to personally examine
the trees, give a valuation and
report the same.

The Inamdars Statements
appear to be fully borne out by
the Amildars' joint report, which
is accompanied by tenders and
Moochalikas from other parties
offering 400 Rs: for the privilege
of drawing Toddy in these villages.
It is also observed that previous
to the year 1842 the Toddy produce

used to be rented for about Rs: 300
a year, as stated by the Inamdar.
But the Dy. Commissioner has
to consider that outsiders - who
cannot of course draw Toddy elsewhere -
may be willing to give 400 Rs; but
it is a question whether it is worth
this sum to the present Govern-
-ment Contractors, who can draw
the required quantity of Toddy
in Government villages surrounding
the Inam. But there is nothing
to prevent the Contractors sub-letting
to the present Tenderers the Toddy
of these villages for the amount
they have offered and thus make
a profit. However, making allowance
for the drawback above stated
the Deputy Commissioner is of opinion
that a sum of Rs: 350, i.e. 50 Rs:
less than the amount offered
by outsiders, would be fair
to both parties and accordingly
orders hereby that the present

Toddy Contractors do pay to Mr.
Venkatavaradiengar the present
holder of the Inam, Rs: 350 annually
in consideration of drawing Toddy
in the Inam villages noted herein.

The Jodidars of Salasagere and other villages in the Hosetta Taluk are at present selling Toddy in direct opposition to your Proceedings No 301-8-8 dated 17th April 1882, and allege as an excuse for doing so, that having entered into an arrangement about the sale of Toddy, Arrears & the passing of your above quoted Proceedings they are not now bound by them; I have therefore the honor to request that orders may be issued in accordance with your above mentioned Proceedings, forbidding the sale of Toddy by the Jodidars & any person but the Govt Contractors

The Secretary to the
Dewan of Mysore

Sir,

In returning the enclosures of your letter No: 3036/228 dated 29th Ultimo, I have the honor to state that the Shendi Contractors of the District brought to my notice that the Jodidars of Dalasagere and other Villages in the Hoskote Taluk extract Toddy from Date trees in their Villages and sell it in contrary to the standing orders of Government in the subject, and equested orders to put a stop to the practice.

2. The Inamdar was asked about it, and he stated that for the last two years he has been enjoying the privilege of leasing out his farm, independently of the Government Contractors, who have hitherto raised no objection.

3. On receipt of the letter under reply, the Inamdar was asked to produce the authority under which

I.e. acted so, and he has presented the original order of the Faujdar of Bangalore, Venkat Rajah Urs, dated 23rd December 1824, to Venkat Punishmiah Grandfather of the present Inamdar, and other papers which are herewith submitted for perusal and return. This order gives the Jodidar exclusive right to draw and dispose of the Toddy.

Copy of order to the Thasildar Amildar from the late Superintendent of Bangalore Division.

2. Myaiah Jodidar Ramanah.

4. In Proceedings No: 4533 of the 30th August 1881, it is laid down that pending the final settlement of the question "Inamdars cannot be summarily deprived of the right of which they have been hitherto in enjoyment;" but that in case the contending parties cannot arrive at any settlement, the Deputy Commissioner may settle the matter by fixing the sum payable to the Inamdars on the average receipts realized by them during the last 5 years, on this item.

5. Again, Proceedings No: 3018. of 17th April 1882 precludes Inamdars from selling their Toddy to any but the Government Contractors, and where this is not feasible, the Inamdars may make Jaggery from the Toddy or otherwise, use the trees.

6. With a view to settle the dispute the Amildar was called upon to report.

the average [illegible]
by the Enamdar, and as per account
furnished by him, the sum amounted
to Rupees 360-0-0.

7. The contractors were informed
of this, but they urged that the
former contractors were praying
nothing to the Enamdars on this
account, and therefore requested
me to issue orders prohibiting the
Enamdar from drawing and selling toddy

8. The Enamdar urged in his
turn that he cannot forego a re-
venue which he is authorized to realize,
that he has long before the present
contractors obtained the contract,
leased out the farm for 5 years for
a sum of Rupees 348-0 per annum,
which term will expire by November
next, after which period he will
decide by the orders of Government.

9. The Enam villages are reported
to contain about 12,000 trees
yielding about 6,500 fit to be tapped,
and about 1,350 unfit for tapping.

10. Under these circumstances, I
declined to cancel a contract
entered into 4½ years ago by the
Enamdar, who has however, prior
to the receipt of the letter under
reply, on the 11th August last,
been warned and directed that
his selling toddy directly or

through Agent is opposed to the orders of the Dewan, and that therefore he should make other arrangements in the matter.

I have the honor to be

The Secretary to the
Dewan of Mysore

Sir,

I have the honor to acknowledge receipt of your No. C Camp dated 7th Instant, regarding the illegal conduct of the Inamdar of Kaglipoor and Hindiganal in opening Toddy Shops without licenses, and in reply to state that orders were at once issued to the Amildars of Kankanhilly and Hoskote to close the Toddy Shops immediately.

2. The Amildars of ~~those Talliks have~~ also been directed to prosecute all

persons concerned in the illegal opening of the shops.

3. I would, however, beg to submit the circumstance under which extreme measures under the Excise Act were not taken, previously, independent of the disputes between the Inamdars and the Contractors. Had it not been for the protests made by the latter, all this difficulty would have been avoided.

4. The Inamdars of Kaslipoor agreed to abide by the terms of the settlement made by the Deputy Commissioner in 1882, but the (old) Contractors protested.

Then, Mr Ricketts submitted the matter for orders of the Diwan, observing that the Inamdar was being subjected to loss in consequence of a settlement not being enforced.

5. The present Contractors similarly protested against that settlement, and applied to me to order the shops of the Inamdars to

be closed, pending orders on their petition to the L Orwan: I directed the Amildars of the two Taluks to see that the Rules were properly enforced, without giving room for any complaint. At the same time, I sent up the Contractors' petitions for orders of the L Orwan.
